Free Workshop: **Human Trafficking 101**

Baltimore police closed down a brothel that used Mexican women imported into the country through Durham. We cannot ignore this issue locally.

Join us on **April 1, 2009, from 3-5 p.m.** in the conference room of the Durham County

Department of Social Services for **Human Trafficking 101.**

Government agencies, non-profit, faith-based organizations, schools, hospitals, and law enforcement representatives are encouraged to attend.

Trainer: **Donna Bickford**, a local expert with the Carolina Women's Center

Topics covered will include:

- Definitions
- Statistics
- How people are trafficked
- How to identify or detect trafficking
- Challenges of working with trafficking survivors

North Carolina has been identified as among the **eight most common destination states** for human trafficking, due in part to its location along I-85 and I-95.
